

# BECKFOOT TRUST SCHOOLS REMARKABLE LEARNING ENVIRONMENTS

## WHO WE ARE AND WHAT WE STAND FOR

The Beckfoot Trust is a cluster of cross phase Bradford schools, all located within a 20 minute drive of Beckfoot School, all genuinely comprehensive in character and keen to demonstrate that school to school collaborative practice can create exceptionally successful learning communities.

## CORE PURPOSE

Beckfoot Trust schools will create remarkable learning environments in which students expect success because of their ambitious attitude to learning, the challenge provided by staff and the support they receive at home.

## MEASURING IMPACT

Each school creates outcomes for learners that rank them in the top 20% by comparison with students in similar schools by their first inspection.

## BY 2019

We expect all our schools who joined the Trust before 2017 to be rated either 'Good' or 'Outstanding' by Ofsted. If not yet inspected, we expect schools to be judged to be 'Good' or 'Outstanding' by our External Review lead.

## COLLABORATIVE PRACTICE

We are equal partners and work collaboratively to establish the 'best idea'. We network. We sow seeds by grouping people together, establishing multiple pockets of collaborative practice across our schools and sharing what we learn.

## TRUST SUPPORT

The Trust provides a support structure for each school in relation to the following:

- Understanding and defining the approach to school improvement
- Developing consistency while respecting uniqueness
- Knowing schools well and holding them to account
- Supporting succession planning through the identification of talent, deploying and developing leaders.
- Developing professional development networks
- Training teachers to join our schools
- Co-ordinating shared events that celebrate achievements
- Securing strong governance and genuine local engagement
- Providing commercial efficiency

## THE 10 KEY FEATURES OF OUR SCHOOLS

1. **Core Values:** All our schools share the same Trust Value statement: 'Enjoy - Learn - Succeed'. We believe that you have to enjoy learning to be successful.
2. **Learners:** Every one of our learners, regardless of social background, special educational need or academic starting point, is expected to achieve excellence academically and socially. We want our learners to be literate, numerate and possess good communication skills.
3. **Leadership:** Our leaders shape the culture, the strategic direction and the climate of our schools. They inspire colleagues. They are highly visible. They distribute leadership effectively and empower colleagues to innovate. They assess impact accurately and hold colleagues to account in an emotionally mature way. They are learners and seek regular feedback on the effectiveness of their leadership from pupils, staff and parents.
4. **Curriculum:** As a cross phase Trust, our curriculum seamlessly transitions from early years, to primary and then to secondary settings. We prepare our learners to flourish in the adult world by allowing them to learn appropriate knowledge and work related skills, and experience wider learning activities.
5. **Quality Teaching:** Our teachers design learning. They are experts in planning lessons with clear purpose to ensure that every learner can: a) problem solve, b) work independently and in teams, c) demonstrate leadership, d) create things that were not there before, e) show off what they have learnt, and f) reflect on how to do even better.
6. **Climate for Learning:** The school creates the climate that allows learning to flourish. Learners feel safe, they are rewarded for great attendance and positive behaviour. They both respect and contribute positively to the community.
7. **Staff Welfare and Professional Development:** Our staff are cherished. Their work life balance is preserved. Pointless bureaucracy is abandoned. Staff have formally identified time to plan and work collaboratively. Their professional development is paramount and stems from self-reflection and appraisal. We seek to identify talent and promote from within the Trust.
8. **Parents:** Our schools actively involve parents in all aspects of the school's activity. They are key partners in supporting their child's learning. We communicate effectively with them and encourage them to visit the school regularly to discuss their child's learning and to see them exhibit their work.
9. **Data:** Data is used Trust wide to gather appropriate information so as to systematically and accurately inform learning development for both learners and staff.
10. **Commercial Effectiveness:** Every school is cost effective, links in fully to shared service development and is legally compliant in all aspects including safeguarding.
