

Modern Slavery Statement

Introduction

This statement is designed to satisfy the requirements of Part 6 Section 54 of the Modern Slavery Act (2015) and sets out steps that Beckfoot Trust has taken to ensure that slavery and human trafficking are not taking place in our supply chains or in any part of our business.

Beckfoot Trust is committed to the highest standards of ethical conduct in all our activities and making continuous improvement in this area. Beckfoot Trust does not engage in, or condone, the practices of human trafficking, slavery or forced labour.

About Beckfoot Trust

We are a cross phase multi academy trust established in 2013. We are proud to educate over 7000 learners in the district across Primary, Secondary, Sixth Form and Special, serving Bradford communities. We aim to create remarkable learning environments for each of our students in schools that inspire, support and enthuse all our learners to achieve.

Risk Assessment

The Trust's financial Regulations have been updated to include reference to the Modern Slavery Act, and key finance colleagues have been briefed in its implications for procurement.

Structure and supply chains

The Trust's Financial Regulations include reference to the Modern Slavery Act in relation to procurement.

As part of our initiative to identify and mitigate risk we have identified the key areas that carry material risks. A considerable proportion of our procurement is with suppliers who are preapproved either by a purchasing consortium or appointed through means of a tender process. Our supply chains include:

- Catering services and supplies
- Cleaning services and supplies
- Estate management, construction and maintenance and services
- ICT equipment and services
- Supply/agency staff
- Education equipment, textbooks and resources suppliers
- Student and staff uniform suppliers

We have carried out a risk assessment of our supply chain against the likelihood of the following three traits of slavery and human trafficking occurring:

- Forced labour
- Work and life under duress

- Impossibility of leaving an employer.

We have identified that some of our procurement takes place within sectors where modern slavery offences could occur, such as within our catering and cleaning supply chains and within the construction industry.

Measuring Effectiveness

We will be taking the following steps to promote awareness of this during 2018/19:

- write to every supplier with a trading balance for the financial year of over £50,000 or are considered a supplier from the high-risk group identified above, requesting confirmation they are taking steps to fully comply with our Code of Conduct for suppliers.
- Include steps for compliance with the Trust Code of Conduct for Suppliers as a condition or criterion in specification and tender documents wherever possible
- Communicate to all suppliers that they adhere to the Code of Conduct for Suppliers.
- Raise awareness among our Beckfoot Trust teams who are involved in employment, procurement and management, of the risks of modern slavery occurring within our supply chains.

Policies

We have reviewed our existing policies and procedures in light of the Act. We are confident that our policies promote good behaviour among our employees within the Trust.
